

A 6x6 grid with numbers and paths. The numbers are placed in the following cells (row, column): (1,3)=1, (1,4)=3, (2,1)=9, (2,3)=9, (2,4)=1, (2,5)=5, (2,6)=4, (3,1)=5, (3,3)=4, (3,4)=9, (3,5)=2, (4,3)=5, (4,5)=7, (4,6)=9, (4,7)=5, (4,8)=4, (5,2)=1, (5,4)=1, (5,5)=8, (5,6)=4, (5,7)=8, (6,1)=8, (6,3)=1, (6,4)=8, (6,5)=5, (6,6)=2, (6,7)=7, (6,8)=6. The paths are shown as gray lines connecting the numbers.
