

A 9x9 grid with numbers 1-9 and grey lines forming a path. The numbers are placed in the following cells (row, column): (1,1)=5, (1,3)=6, (1,5)=8, (1,7)=2, (2,1)=4, (2,5)=5, (2,6)=6, (2,7)=1, (2,7)=7, (3,4)=6, (3,5)=3, (3,6)=5, (3,7)=9, (4,4)=8, (4,5)=7, (4,7)=3, (4,8)=2, (5,2)=2, (5,4)=3, (5,7)=6, (5,9)=9, (6,8)=1, (6,7)=4, (6,8)=3, (7,1)=9, (7,2)=4, (7,9)=1. The grey lines form a continuous path starting from (1,1) and ending at (7,9).
