

A 6x6 grid with numbers and paths. The grid is divided into four 3x3 quadrants by a vertical line between columns 3 and 4, and a horizontal line between rows 3 and 4. Numbers are placed in the top-left, top-right, and bottom-left quadrants. Paths are drawn in the top-right and bottom-right quadrants.

5				4		7	3
2						5	
				3		1	
	4	3				1	2
	5					8	4
				4	8		6
7	6			1			
	2			7	6		1
						7
