

A 10x10 grid with numbers in circles at various intersections. The numbers are distributed as follows (row, column):

| Row | Col 1 | Col 2 | Col 3 | Col 4 | Col 5 | Col 6 | Col 7 | Col 8 | Col 9 | Col 10 |
|-----|-------|-------|-------|-------|-------|-------|-------|-------|-------|--------|
| 1   | 2     | 3     | 3     | 5     |       | 4     | 2     |       |       |        |
| 2   | 3     |       |       |       |       |       |       |       |       | 2      |
| 3   |       | 7     | 4     |       | 3     |       | 1     |       |       | 5      |
| 4   | 3     | 2     |       | 1     |       |       |       | 1     |       |        |
| 5   |       | 6     | 2     | 5     | 3     |       |       |       |       |        |
| 6   | 2     |       | 2     |       |       |       |       |       |       | 3      |
| 7   |       |       | 4     | 7     | 5     |       |       |       |       |        |
| 8   |       | 1     |       |       |       |       |       |       |       |        |
| 9   | 1     |       | 1     | 1     |       |       |       |       |       | 4      |
| 10  |       | 4     |       | 5     | 3     |       |       |       | 1     | 2      |
