

The image shows a 9x9 grid divided into a 3x3 grid of 3x3 sub-grids by thick black lines. Each sub-grid contains numbers 1-9 and black or white dots. The numbers are placed in the corners of the sub-grids, and the dots are placed in the intersections of the sub-grid lines.

Sub-Grid	Row 1	Row 2	Row 3
Top-Left	8 (black dot)		2 (black dot)
Top-Middle	3 (white dot)		3 (black dot)
Top-Right	7 (white dot)	2 (black dot)	8 (white dot)
Middle-Left	2 (black dot)		9 (black dot)
Middle-Middle		1 (black dot)	2 (black dot)
Middle-Right		8 (black dot)	3 (white dot)
Bottom-Left	3 (black dot)		3 (black dot)
Bottom-Middle		9 (black dot)	5 (black dot)
Bottom-Right		6 (white dot)	2 (white dot)
