

The diagram shows a 9x9 grid divided into three 3x3 regions by two vertical lines. The grid contains numbers and diamond-shaped placeholders as follows:

8								
3				6				
			9		4			
	7		8	4		2	9	6
	5	6					1	8
2							5	
		4	3		1	6	7	
6	2			5				
			7					

A thick grey path connects the following cells in sequence: (0,0) → (0,1) → (0,2) → (0,3) → (0,4) → (0,5) → (0,6) → (0,7) → (0,8) → (1,0) → (1,1) → (1,2) → (1,3) → (1,4) → (1,5) → (1,6) → (1,7) → (1,8) → (2,0) → (2,1) → (2,2) → (2,3) → (2,4) → (2,5) → (2,6) → (2,7) → (2,8).
