

The image shows a 3x3 grid of a logic puzzle. The grid contains numbers 1-9 and colored circles (red, green, blue, yellow) with lines connecting them. The puzzle is partially solved.

6	1	9	2
8	3	6	7
6	7	9	2

Colored circles and their connections:

- Red circle at (1,1) connected to (1,2) and (2,1).
- Green circle at (1,3) connected to (1,4) and (2,3).
- Blue circle at (2,2) connected to (2,1) and (2,3).
- Yellow circle at (3,1) connected to (3,2) and (3,3).
