

A 6x6 grid puzzle. The grid is divided into four 3x3 quadrants by a vertical line between columns 3 and 4, and a horizontal line between rows 3 and 4. Numbers are placed in the corners of the grid: 6 (top-left), 3 (top-middle), 2 (top-right), 3 (middle-left), 7 (middle-middle), 6 (middle-right), 8 (bottom-left), 3 (bottom-middle), 6 (bottom-right). Grey circles are placed in the center of the grid: (row, column) coordinates (1,3), (2,4), (3,2), (3,4), (4,3), (4,5), (5,2), (5,4), (5,6), (6,3), (6,5), (6,6). The circles are arranged in a pattern that suggests a path or a sequence of moves.
